Dear Garrick,

RE: New Property at Lot 48 Dan Street, Chuwar, Qld 4306

Please accept this letter as a sincere thank you on the completion of our new house at number 57 Dan Street, Chuwar.

We have received many compliments on the finish and fixtures especially the overall presentation of the home once completed.

Please pass on a special thank you to all your office personnel for their courteous and friendly manner. They have made the whole experience very easy and you should be very proud of their exceptional work.

A special thanks to Tanya for her constant updates and efficient response to many emails and queries over the last few months.

Your team of Contractors led by Joe must also be commended for their high standard of workmanship and especially maintaining a spotless site during construction.

Recommending your company in the future to any friends and associates would be our pleasure as we know they would be in dependable hands.

Should the need arise for future dealings, rest assured you will be our first call.

Yours sincerely

Phillip & Melissa Harding.
